CARRER OBJECTIVE

To create engaging, user-focused web-applications by collaborating with skilled teams and embracing cutting-edge-techonologies. Always eager to learn and innovate, I aim to work on projects that drive positive change while growing as a frontend developer and delivering solutions that align with organizational success.

SKILLS

- **Language:** HTML5, CSS3, JavaScript
- **Libraries:** React, Tailwind CSS, Node.js, Express.js, Next.js
- **Technologies:** MongoDB, JWT
- **Tools:** Github, VS code, NPM, Figma, Firebase

PROJECTS

SwiftParcel (Parcel Management Website) — Jan 2025 - present

- Built a secure, role-specific dashboard with dynamic features using JWT.
- Built an interactive parcel booking system with real-time notifications, sweet-alerts, and payment integration using Stripe.
- Integrated data visualization with React Apex Charts in admin statistics and created a delivery leaderboard ranked by performance metrics.

Tecnology: React, Tailwind CSS, Node.js, Express.js, MongoDB, Firebase, Vercel, Stripe, **JWT**

DineWise (Restaurant Management Website) — Dec 2024 - present

- Developed a full-stack restaurant management platform featuring online food ordering, dynamic menu updates, and customer engagement..
- Integrate JWT-based private routes for secure menu management.
- Implement real-time updates for menus, orders and inventory to streamline operations.

Tecnology: React, Tailwind CSS, Node.js, Express.js, MongoDB, Firebase, JWT, Vercel
Important Link: **Live Site**, **Github-Client**, **Github-Server**

Sportify (E-Commerce Platform) — Dec 2024 - present

- Created a responsive sports gear e-commerce platform featuring user profiles, product filtering, and real-time inventory tracking.
- Created secure routes for adding and managing inventory, enabling users to upload product details, monitor stock levels and customer reviews
- Allow users to choose different variations of a product such as size, color or materials.

Tecnology: React, Tailwind CSS, Node.js, Express.js, MongoDB, Firebase, Vercel
